Greetings from the class, board and staff of Awareness Washington County Leadership Program. Thanks to you, over the last thirty years we have been able to help over six hundred and fifty adults and numerous youth develop or enhance their leadership potential. It is because of supporters like you that we are able to continue this nationally recognized program in our community.

With the winter months underway, we are making plans for our 3rd annual Chili Cook Off on March 9, 2019. In past years, hundreds of people throughout the community joined us for some delicious chili, games and great company. This year we are making some changes to that line-up. We will continue to have a limited number of activities for the children that attend and are continuing our popular dessert auction.

We are seeking table sponsors to help bring about this wonderful event and have several sponsorship levels for you to consider. Jalapeno is \$500 or more, Hot is \$250 or more and Spicy is \$100. Your donations would help with the prizes for the chili aficionados, but most importantly, your gift will help adults and youth in our community feel more confident in their lives as Servant Leaders. All contributors will be recognized both at the event and after the event through local media and on our social media sites. Please let us know of your sponsorship intentions no later than March 1, 2019.

We are thankful for all your continued support to promote Awareness Washington County and We The Youth.

If you have any questions about Awareness Washington County, We The Youth! or the Awareness Chili Cook-Off, please call or email us. We are looking forward to a very "spicy" year.

Thank you,

Marji Morris, Co-Director AWC
